

Packing Clause -KN version

Packing and/or preparation as per manufacturer's/supplier or trade standard.

In the event of a claim being made for loss or damage which is alleged to be caused by insufficiency or unsuitability of packing or preparation of the subject matter insured, the insurer hereby agree that they will not use such alleged insufficiency or unsuitability as a defence against the claim in any case where the packing or preparation was carried out by a party other than the named insured and the insufficiency or unsuitability arose entirely without the named insured privity or knowledge or in direct contradiction to the insured's instructions.

For the purpose of this clause 'packing' shall be deemed to include stowage in a container and/or other similar inter-modal methods of unit load. Including all loading/unloading risks.

The insured agrees to assist the insurer in all respects to pursue rights of recovery against sellers and/or other third parties responsible for the loss or damage

The above agreement is not to interfere with the insurer's rights of subrogation against packers and/or their insurers.

Covered are sorting costs, as a result of an event covered under the scope of this policy, in order to determine the extent of damage.

All other terms, conditions and exclusions of the policy remain the same.
