

Attachment/termination of transit clause

This insurance commences from the time of attachment of the Insureds interest in the subject matter insured but unless otherwise specifically agreed herein not prior to the time the goods are set in motion in the Insureds and/or sub-contractor's and/or suppliers premises, storage depots and/or warehouses for the imminent commencement of transit and continues during the ordinary course of transit during packing, repacking, temporary storage, consolidation, deconsolidation and containerisation and at transshipment points including and during delays beyond the control of the insured, subject always to the provisions of the Institute Clauses incorporated herein until the goods are delivered to site at final destination, including all loading and unloading risks.

However this clause does not apply to War risks where attachment and termination remains strictly in accordance with the duration clause of the Institute War Clauses (Cargo) or (Air Cargo) as applicable.

Return shipments of damaged cargo to manufacturers or suppliers premises and return back to site are covered for Section 1 only. Coverage for return back to site for Section 2 is covered at rates terms and conditions to be agreed.

In case of conflict between this clause and body of the policy or other additional clauses , this clause shall prevail. All other terms, conditions, and exclusions of the policy shall remain unchanged.
