

Loading and discharge survey clause

In addition to the survey warranty contained in this policy, the Insurers retain the right to carry out, at their own expense, any Loading, Stowage, or Discharge surveys, including unloading operations at the Project Site, and the Insured will provide all necessary co-operation to enable Insurer to arrange such required surveys.

If the Insured have been notified of the required surveys and if the surveys have not been carried out as a direct failure of the Insured to provide the necessary cooperation then the Insurers will reserve their rights under this insurance in respect of any loss or damage which can be directly attributable to the absence of the required survey(s).

In case of conflict between this clause and body of the policy or other additional clauses , this clause shall prevail. All other terms, conditions, and exclusions of the policy shall remain unchanged.
